Can you face  
your demon?

Can you taste the  
demon?

No:

No

I say

I don't have to play  
games your way

I can play any game

I please

and still say

No

Yes:

Yes I say

I will play

your way

but don't hold

me to my

word any

longer

than

it's heard

Wild Flowers:

Would you

love me

if you knew

how many men

I had had?

Would you

feel sad?

Things are no

longer the same

young girls

are changing

or were they

always

that way?

se

Little girl you've become  
a fuss budget  
a worry wart  
a harried  
house wife  
let it all go  
let it  
all go  
let go  
fly free

There's another Order  
to things  
the order of the games  
children's play  
of a doodle  
of delight

produced from  
my body of bliss  
growing  
beyond  
my mind

There's another Order  
to things  
in which we  
perhaps unknowingly

World Dream

World turn  
fire burn  
light shine  
colors come  
sun gleam  
grass grow  
body glow  
mind know  
breath flow  
muscles flex  
nerves sing  
life dream
